Career Objective

As a highly motivated college junior majoring in Software Engineering with a 3.76 GPA, I am eager to gain hands-on experience in the field through a challenging internship. My academic background in programming languages, computer systems, and object-oriented programming has equipped me with a solid foundation. I am passionate about applying my classroom knowledge to contribute to real-world software development projects.

Education

Bachelor of Science   **Arizona State University**   *Tempe,AZ USA* **8/2020 - 5/2025**

- Bachelor of Science in Software Engineering

  - Arizona State University, Tempe, AZ (August 2020 - May 2025)
  - Relevant Coursework: Programming Languages (e.g., Java, C++), Computer Systems, Object-Oriented Programming, Software Design Patterns, Database Management Systems (e.g., MSSQL)
